

CAREER OPPORTUNITY

Utility Person – West Coast Chip Plant

Howe Sound Pulp and Paper has an immediate opportunity for a Utility Person at our West Coast Cellulose Chip Plant.

Located on the Fraser River in South Vancouver, West Coast Cellulose has been in operation since 1969. The Chip Plant boasts one of the largest whole log chippers in North America, supplying over 40% of chips to Howe Sound's production and power generation.

UTILITY PERSON

Working in a fast paced outdoor environment, the utility person is responsible for operating mobile equipment, loading and capping of chip barges, and assisting with general maintenance and cleanup of the plant. The incumbent will be trained to operate all required mobile equipment.

Hours of work will be consistent with operational requirements and the provisions of the USW Coast Master Collective Agreement. A competitive benefit package is provided to employees who have successfully completed the probationary period.

QUALIFICATIONS:

- Grade 12 education
- Physically fit
- Level 3 First Aid, operating mobile equipment, chain saw and boom boat experience an asset but not required.

Please forward your resume, stating position title to: employment_coordinator@hspp.ca by August 17th, 2016

We thank all applicants for their interest; however, only those selected for an interview will be contacted.
