

HOWE SOUND
PULP & PAPER CORPORATION
A PAPER EXCELLENCE COMPANY

Employment Opportunity

Entry Level Labourers

West Coast Chip Plant

Howe Sound Pulp and Paper has immediate opportunities for various Entry Level Positions at our West Coast Chip Plant.

Located on the Fraser River in South Vancouver, West Coast chip plant was built in 1985 and boasts one of the largest whole log chippers in North America. The chipper disk is 153 inches in diameter and will consume a 43" diameter log in a matter of seconds. West Coast Chip Plant produces approx. 450,000 gravity packed units of Hemlock and Douglas Fir chips annually; approximately 700 barges and is forty percent of Howe Sound's overall needs. WCC also generates 45,000 gravity packed units of hog fuel annually, approximately 90 barges that is used to fuel Howe Sound's power boiler.

JOB DESCRIPTION

Working in A fast paced outdoor environment, responsibilities include operating mobile equipment, operating boom-boats, loading and capping of chip barges, and assisting with general maintenance and cleanup of the plant. The incumbent will be trained to operate all required mobile equipment.

Hours of work will be consistent with operational requirements and the provisions of the USW Coast Master Collective Agreement. A competitive benefit package is provided to employees who have successfully completed the probationary period.

QUALIFICATIONS:

- Must pass Entry Level Testing
- Must be physically fit and capable of completing labouring assignments
