

Business Management Policy

Our focus on excellence in performance has resulted in being a leader in:

- ❖ Delivering outstanding Pulp products;
- ❖ Generating Green Power from renewable resources;
- ❖ Safety management for our employees;
- ❖ Work place productivity; and
- ❖ Environmental Stewardship.

We will:

- ❖ **COMPLY** with all applicable legal and other requirements;
- ❖ **PREVENT** pollution and injuries;
- ❖ **IMPROVE** our performance on a continual basis;
- ❖ Consider safety, social, economic, product quality, environmental factors and energy efficiency when setting goals and objectives; and
- ❖ Communicate our results to our employees, owners, customers and community.
